

Club Highlights

According to tradition each club writes up a highlight paragraph for the program. The highlights are due to the Extension Office by **October 15**. Please write no more than 300 words. Remember, these are “highlights” and not details. If it is too long, be prepared for editing. At Achievement Night, each club will send up one representative to share with the audience one memorable activity of the club in the past year. Please use 1-2 minutes max. Use this time to brag on your accomplishments!
