4-H and FFA Rules

Special Rules are published in any department where necessary. If there is a conflict between the Special Rules and the General Rules, Kansas State Fair Board will govern the final ruling.

Exhibitors are expected to comply with all rules. Those failing to comply with the rules are subject to premium and award cancellations and disqualification from future participation in the Kansas State Fair 4-H/FFA shows and/or exhibits.

See Kansas State Fair General Rules for more details at www.kansasstatefair.com

Accessibility Information: The Department of 4-H Youth Development, K-State Research and Extension, Kansas FFA, and the Kansas State Fair are committed to making their services, activities, and programs accessible to all participants. If you have special requirements because of physical, mental, learning, vision, hearing or other impairment, please contact the chair of your division or the Kansas State Fair office.

Eligibility: Current Kansas 4-H and FFA members meeting the membership criteria below are eligible to exhibit in the Kansas State Fair joint areas.

4-H membership: Enrolled in a local 4-H program. Members must be 9 years of age before January 1 of the current year and must not have passed their 19th birthday before January 1 of the current year.

FFA membership: Enrolled in agricultural education. Student must have paid current annual membership dues and must not have passed their 19th birthday before January 1 of the current year.

Kansas 4-H and FFA members are eligible to enter beef, sheep, swine, meat goats, dairy cattle, dairy goats, poultry, crops, horticulture, and rabbits.

Only purple award or State Fair blue exhibits selected in a previously designated competition may be exhibited in the 4-H/FFA division. All contestants must have qualified through county, district or other competitive events or be approved by the local K-State Research and Extension Office or FFA Advisor. Beef, sheep, swine, meat goat and rabbit entries must be of blue ribbon quality.

All exhibitors check with their Local Extension Unit about county/district requirements that are in place to enter exhibits at the Kansas State Fair in the following areas: dairy cattle, dairy goats, poultry, crops, horticulture, and rabbits.

Entries: Pre-Entries are due to county offices so that they are in receipt to the State 4-H Office no later than August 15 or within 5 working days of the completion of the county fair for those counties having fairs after August 10 (except for beef, sheep, swine and meat goat entries which are due to Kansas State Fair by July 15 at www.kansasstatefair.com).

All non-livestock entries must be processed through the Local Extension Unit Office. It is the responsibility of the individual 4-H/FFA member to pre-enter non-livestock exhibits with the Extension Office by the local deadline.

4-H/FFA Beef, sheep, swine and meat goat entries are due July 15! Grand Drive entries must be signed by the appropriate Extension Agent or FFA Advisor. Entry forms are available at your local Extension Office, FFA Chapter, and the KSF office and online at www.kansasstatefair.com.

In order to enter and exhibit 4-H/FFA market livestock or commercial breeding animal, the member must have nominated the animal. During the project year, 4-H/FFA members are expected to participate in a prior competition (i.e. county fair, spring show, breed competition) within the same species and project exhibit type (example: market beef). A different animal than the one exhibited may be shown at the State Fair, provided it has been carried in the same project. It shall be the responsibility of the local FFA advisor or the County/District Extension Agent to see that only State Fair quality livestock (blue or purple quality) are entered in the 4-H/FFA Livestock section of the Kansas State Fair. This will be necessary when the qualifying competitions fall after the entry deadline for the Kansas State Fair.

Exhibits: Exhibits must be the result of the current year's 4-H/FFA work and be owned, raised and cared for by the exhibitor.

Entry Check-in and Release at the Kansas State Fair: See 4-H/FFA Schedule for details.
www.kansasstatefair.com

All exhibits shall be in place on the date and time stated under department in which you are exhibiting. All exhibits must remain in place until released by the Department Superintendent as approved by Fair Management. Any exhibit not in place for the full period required shall forfeit premiums and special awards, and a one year suspension could also be imposed.

Exhibitors who are found by officials or elected local Boards of K-State Research and Extension to have left their livestock to the majority care of others, especially professional feeders/groomers, may be disqualified from the current Kansas State Fair, and could be banned from future exhibition in the 4-H or 4-H/FFA divisions of the Kansas State Fair.

Prizes: No exhibitor will be awarded more than one prize in any one class except in the livestock divisions. The group system of awards will be followed in all divisions except beef, sheep, swine, and meat goats. Four ribbon groups may be awarded: purple, blue, red, and white. Livestock will be placed one through ten in each class.

The amount of the premium money apportioned will vary with the classes. The premium funds listed in each division of this fair represent the funds available. In case there are fewer entries than anticipated, only as much of the premium as is needed will be apportioned among the exhibitors.
