Statewide Scholarship Changes

The 2024-25 scholarship process for State 4-H Scholarships and the Vanier Family Scholarship Program has been streamlined. This process has been designed to encourage more 4-H'ers to apply for these scholarships by simplifying and combining the process. Evaluation criteria has also been included to provide transparency throughout the entire process. Please note several of the larger changes listed below:

1. Applicants will provide a cover letter and resume as part of their application – the same resume may be used for both scholarship processes. Applicants are encouraged to have a separate cover letter for the State 4-H Scholarships from the Vanier Family Scholarship Program.

2. Evaluation materials are provided to increase the transparency of the process.

3. References do NOT submit a letter of recommendation – they will be asked to answer several short answer questions about the applicant. These questions can be found on the Kansas 4-H website (<u>https://www.kansas4-h.org/resources/awards-and-recognition/scholarships.html</u>).

For questions about the scholarship process, please reach out to Sarah Keatley at <u>keatley@ksu.edu</u> or 620-366-0035.

2024 Wabaunsee County Fair

Start working within your club committees to design your "Country Night & Arena Lights" fair competitions.

There has been a change in the Kansas 4-H Policy regarding the livestock sales. Each local fair board can choose to change their local regulations. Previously our sale has been terminal but for 2024 and beyond, Wabaunsee County Fair Board has voted to align with the Kansas 4-H Policy and lift the terminal requirement. Therefore, animals that go through the livestock sale at the County Fair can still show at Kansas State Fair and Kansas Junior Livestock Show. Locker Destinations will still be available and will be **final as of 5:00 p.m. on Friday, July 5**. Sign up will be released in June.
