Animal Rules & Regulations

GENERAL

1. ALL 4-H & Open Class animal entries **MUST** be submitted via FairEntry no later than **the first Friday in July.**
2. ALL livestock must check-in Saturday morning as scheduled. This includes market & breeding animals.
3. Livestock must be checked in and weighed by the 4-Her or family; superintendents are not responsible for moving animals from pens to the scales.
4. If you wish to protest the official scale weight, the 4-Her or family must be present when weighed; the animal will walk off the scale, scale will be zeroed, and the animal will immediately re-weigh.
5. Superintendents shall assign pens/stalls to exhibitors. Exhibitors are required to use only those pens/stalls that have been assigned to them.
6. There will be no sleeping in the exhibit buildings. Adequate nighttime supervision will be provided.
7. All cattle, goats, sheep, swine not sold can be released Tuesday 6:00 a.m. - noon. Rabbits and poultry will be released Tuesday at 8:00 p.m.
8. No project may check-out early unless directed by Extension Agent, Super and/or Fair Veterinarian.
9. Insurance for animals will not be provided. A waiver will be signed at check-in.

Animal Rules & Regulations (continued)

ANIMAL HEALTH

1. All animals will be subject to veterinary inspection at species weigh-in.
2. Superintendents reserve the right to refuse admittance to any animals for health reasons.
3. All animals shall be free of clinical signs of infectious and contagious disease.
4. Animals with active lesions or ringworm, warts or infected with mange will not be permitted to exhibit.
5. Mistreatment and/or abuse of animals will not be tolerated and will result in disqualification as determined by Superintendent and Agent.
6. Animals that arrive prior to weigh-in, enter at their own risk.
7. We will follow the recommended guidelines from KDA for the 2022 Fair.

CARE AND SAFETY

1. Poultry and rabbit cages will be provided by the Fair Association. Turkey-sized fowl and larger will use cages supplied by the exhibitor.
2. Pet exhibitors must provide own cage or carrier.
3. All feed for livestock, poultry, & rabbit projects must be furnished by the owner. Bring feed your animal is accustomed to eating. Water is available onsite.
4. Bring your own water & feed troughs for rabbits & poultry; bedding will be provided. Straw is allowed for bedding of livestock.
5. Exhibitors are responsible for keeping their stalls, cages, and alleyway clean at all times.
6. Care for 4-H projects is the 4-H MEMBER'S responsibility. 4-Her's must handle animals to their capabilities. Parents are asked to limit assistance to that needed for the member's safety.
7. Exhibitors are responsible for extra care required during hot weather.
8. Superintendents will use diligence to ensure the safety of animals after their arrival and placement, but will in no case be responsible for any loss or damage that may occur.

SHOWS

1. Livestock may be groomed/handled ONLY by the 4-H member, with help from; immediate family member, other 4-H members, superintendent, or project leader.
2. Exhibitors should be properly attired when showing livestock.
3. 4-Her's should accompany their exhibits, and in the case of livestock, exhibitors must show their own entries. A numbered card will be provided for each entry. The exhibitor must carry the corresponding card with the entry being shown & present the card to the Ring Steward at the time of placing. In case the exhibitor has two entries in the same class, he or she may have another Wabauunsee County 4-H member assist with one exhibit. The assistant should carry the corresponding card with that exhibit.

4. Showmanship exhibitors must have shown that animal in a 4-H market or breeding class.
5. Showmanship classes will be divided into Junior (7-9), Intermediate (10-13) and Senior (14-18). Large classes may be broken up for judging purposes. A Champion and Reserve Champion will be selected from within each division: Junior, Intermediate, & Senior. The Champion Showperson of each species in each age division will be eligible to compete in Round Robin. See Round Robin section for more details.
6. In all divisions, a rating system of awards will be used. Livestock exhibits will receive Blue, Red, and White ribbons. Each ribbon group will have their own premium level. Class champion must be Blue ribbon quality. Champion and Reserve Champion ribbons may only be given to blue ribbon exhibits. Livestock going through Livestock Sale will not receive a ribbon premium.
7. Livestock barns will be closed to the public during livestock shows to ensure safety of livestock, 4-H members, and the public.
8. Superintendents may request the use of livestock for Round Robin. A 4-H family may choose to authorize this use or not.

LIVESTOCK SALE

1. Premium only (ribbon) auction. Carcasses will not be sold through the auction, exhibitors are responsible for finding their own carcass buyers. Floor buyer available for Sheep & Goats and Poultry & Rabbits only.
2. Only animals exhibited in 4-H market classes at the Fair may be sold. Each 4-H member may sell two (2) animals through the auction ring, a maximum of one (1) per species.
3. Declaration forms must be submitted to the Extension office for all animals going through the auction ring by Monday at 9:45 p.m. No form = no auction.
4. The following minimum weights are mandatory for sale: Beef: 1000 lbs, Swine: 220 lbs, Lambs: 100 lbs, Meat Goats: 50 lbs, Poultry: 3 lbs, Rabbits: 3 lbs.
5. Animals sold through the auction ring cannot compete at any show after the fair.
6. All animals selling through the livestock sale will be charged a \$15.00 flat fee per head.
7. For base bids only, the following fees apply: \$3.00 for Sheep & Goats and Poultry & Rabbits.

◇ Open Class Rules & Regs ◇

State Fair Entries

1. Wabaunsee County 4-H exhibits will be designated by the official judges and Fair Management as to quality suitable for exhibition at the Kansas State Fair (KSF).
2. If you get a purple you may be eligible to show at KSF (excludes livestock). Please check with the Extension Office to review KSF rules. You must be 9 as of January 1 of the current year, to show at KSF.
3. If project is eligible for KSF, be aware of all registration deadlines. All KSF exhibits (excluding nominated livestock) must be pre-entered by the Friday after Fair. There will be a notebook with the necessary forms to complete during the County Fair. All pre-entries must be filled out completely or pre-entry will be void.
Deadline: July 29 – All non-livestock entries, dairy goats, poultry, and rabbit entries.
4. **It is the responsibility of the 4-Her and parent to read guidelines for KSF before pre-entering a project.**
5. **These rules and deadlines will be strictly adhered to.**
6. The County Extension Staff will transport 4-H projects (no animals) to/from KSF provided they will fit in the County Extension vehicle. They will do everything in their power to make sure they arrive in the best possible condition, but they will **not** be held responsible for accidents.

Project Sale

ITEMS OTHER THAN ANIMALS

1. Only items that receive Champion or Reserve Champion for the entire project may be sold in the ring.
2. Any 4-H member may sell a project exhibited at the fair.
3. 4-Her's may only sell two items through the ring (1 livestock & 1 project, 2 livestock, 2 projects, etc.)
4. 4-H members must be present to sell their project.
5. No live animals may be sold in the project sale. Perishable food items such as food and garden produce must be replaced with fresh items for the sale.
6. Two percent of the sale price of each project sold will be retained to cover the cost of the buyer plaque and an ad thanking the project buyers.
7. The project sold in the Project Sale must have been judged at the current year's fair.
8. Members must notify the Extension Office Staff NO LATER than 4:30 p.m. on Monday that they wish to sell an item and give a reasonable minimum bid.
9. When your article has been sold, your project article no longer belongs to you. Therefore, that article cannot compete at any show after the fair.
10. All sales are final and binding.

Club Competitions

Superintendent: Mary Reed Spencer
Banner, Booth, Float, Hay Bales

Judging Friday, July 22, 5:00 p.m.
Hay Bale, Booth, Banner Judging

Refer to Rules & Regs on pages 4-6.

Clubs may select to do a booth, banner, hay bale, and float. A champion will be selected in each class. **One pre-entry**

submission, per club, for all club competitions must be submitted by the 1st Friday in July, via Google Form.

Every club will receive \$10.00 for each booth, banner and hay bale entered. An additional \$10.00 will be awarded to the Grand Champion and an additional \$5.00 to the Reserve Grand Champion in each category.

Banners – Banners are a two dimensional display, depicting one idea. Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3 feet; letters should be at least two inches in height. Banners must be hung on a dowel rod strong enough to support the banner. Banners mounted any other way risk not being displayed due to technical problems. Banners must be made of materials that permit the banner to be folded or rolled without damaging the display. Three-dimensional objects may not be attached to the front of the banner. Entry card is required for banners. Each club must have a 4-Her present during conference judging. **70% of**

FOOD GIFT PACKAGE OR SPECIALTY FOOD PRODUCT

A food gift package must contain at least 3 different food items, prepared for human consumption, made by the 4-Her, in a suitable container, no larger than 18" x 18" x 18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions:

- What is the intended use?
- What food safety precautions were taken during and after preparation?

FOOD PRESERVATION

1. Exhibitors may exhibit up to 2 entries in 4-H & 2 entries in Open Class, but only 1 per sub-class.
2. Exhibits must have been preserved since the member's previous year's county fair.
3. Recommended method of processing must be used. Follow guidelines in approved tested recipe sources, some include: K-State Research and Extension Food Preservation publication or USDA's Complete Guide to Home Canning. Open-kettle, oven canning, sun canning, and using electric multi-cookers will not be accepted.
4. Each exhibit must have the complete recipe and instructions attached with the entry card or it will be lowered one ribbon. Recipe must include: exhibitor name, recipe source, date of publication, & altitude where food was processed. If using a Mrs's Wage's or Ball® mixes, indicate the date the mix was purchased.
5. Entries with alcohol will be disqualified.
6. Exhibits must be processed in clean, clear standard canning jars with matching brand two piece lids. DO NOT USE colored jars, fancy padded

lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so. Jars must be sealed when entered. Jelly must be in ½ pint or pint jars. The canned jars will not be opened.

7. Each jar exhibited must be labeled. Label must not cover brand name of jar. The label must give: Class No, Product, Altitude where processed, Canning Method, Process Time, Pressure, Date Processed (including month & year), Name & County
8. Hole punch the entry form and use a rubber band to attach entry card around the top of the jar.
9. If dried product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3-1/2 cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified. Heating information can be found in "Dry Meat Safely at Home."

Geology

Superintendent: Theresa Foster
 Assist. Superintendent: Bengie Foster

Judging Saturday, July 23; 10:00 a.m.

- A 4-H member may exhibit in geology and lapidary classes.
- Refer to Rules & Regs on pages 4-6.
- Follow the general guidelines listed in the current [Kansas State Fair Book](#).

- 1700 Display at least 15 rocks, minerals, or fossils, collected during the current 4-H year. Limited to 1 exhibit box.
- 1701 Display at least 30 different rocks, minerals, or fossils, at least 5 of each. 15 specimens must be collected during current 4-H year. Limited to 1 exhibit box.
- 1702 Display at least 45 different rocks, minerals, or fossils, at least 5 of each. 15 specimens must be collected during current 4-H year. Limited to 2 exhibit boxes. List as igneous, metamorphic or sedimentary.
- 1703 Display at least 60 rocks, minerals, or fossils, at least 5 of each. 15 must be collected during current 4-H year. Exhibit limited to 2 boxes. List as igneous, metamorphic or sedimentary.
- 1704 Educational Exhibit relating to everyday living; or to a mineral text, a rock formation, geological history, species of a fossil, forms of one mineral, variations of one kind of rock, archeological or Indian artifacts. Exhibit limited to 4' of table space.
- 1705 Mineralogy. Display a min. of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The specimens must be labeled with the number of the specimen, date col-

lected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known.

- 1706 Fossils: Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box. The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.)

Lapidary

- 1707 Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to show "before & after", nor do they have to be self-collected. Locales must be identified.
- 1708 Display before & after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.
- 1709 Display before & after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished. At least 2 varieties should be collected from the native site by the 4-H'er, at least 1 of which comes from Kansas. Locales must be identified. Lapidary work on at least 3 varieties should be done during current 4-H year.
- 1710 Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2

unpolished. At least 3 varieties should be collected from the native site by the 4-H'er, at least 2 of which comes from Kansas. Locales must be identified. Lapidary work on at least 3 varieties should be done during current 4-H year.

- 1711 Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least 3 cabochons of any size or shape, only 1 of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

◇ Open Class Shoebox Geology ◇

1. Exhibit a collection of rocks, fossils and/or minerals you found in Kansas.
 2. Display box may be a cardboard shoe box or plastic bin no larger than 240 square inches and placed on its side for show. Secure specimens with glue and attach label below item. Cover box with a sheet of plastic wrap or acrylic glass taped across the opening of the box.
- 1800 Under 8 years old: Name of specimen (if known), where it was found (road cut, creek bed, pond dam, etc.)
- 1801 9-13 years old: Label each specimen with the following: Name of specimen, county where it was found, one to two paragraphs about the items
- 1802 14 and older (includes adults): Label each specimen with the following: Name of specimen, county where it was found, one to two paragraphs about the exhibit (characteristics, how you found them)

Judging Saturday, July 23; 1:00 p.m.

1. Exhibitors may exhibit 1 entry in 4-H.
2. Refer to Rules & Regs on pages 4-6.
3. A summary including plans, explanation of how the items were made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to the exhibit.
4. Projects with missing or insufficient summary will be lowered one ribbon placing.
5. Exhibits should be of high quality (as compared to quick, simple

crafts), suitable for use in the home several months throughout the year. Holiday specific items are discouraged.

♣ 4-H Class ♣

- 2100 Design Board: Design must be on foam core or a standard tri-fold display. Include color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room.
- 2101 Notebook: may include floor plans, swatches, colors, stories, photographs, and project records, which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required for this class.
- 2102 Single Exhibit: an article made or refinished by the 4-H member for the home.

Horses

Superintendent: Anna Lukert
 Assist. Superintendent: Anna Stauffer

Check-in Friday, July 22; 7:00 a.m. Show Friday, July 22; 8:00 a.m. Mill Creek Cowboys Arena

1. Read General & Animal Rules & Regulations on pages 4-6.
2. Horses will be checked in on Friday, July 22, 7:00 a.m. at the Mill Creek Cowboys Arena and will be taken home the same day after judging. Horses will work out of their trailers.
3. 4-H Horse project horses must be identified* through the county extension office on or before May 1 annually to be exhibited at 4-H shows. Identification*: Completed and signed 4-H Horse Identification Certificate and color photo(s).
4. 4-H Horse project horses must be owned or leased by a 4-H member by May 1 of the current 4-H year to be shown in 4-H classes.
5. Siblings may exhibit the same horse; however the horse cannot participate in the same class in the same age division more than once at a given show. Youth can be in the same age division, but will have to participate in different classes. A 4-H member may only participate in each 4-H class once. Additional entries are welcome in the Open Class.
6. [4-H Horse Show Rule Book](#) rules apply. The 4-H Horse dress code will

be enforced for the show. The use of protective headgear, in place of a hat, is encouraged in any and all classes, including judged and timed classes.

- Long sleeve button up style shirts and approved headgear are required in halter and performance classes, but are not required for timed events.
7. The age of a horse is determined as of January 1, of the year in which it is born. Stallions may not exhibit in 4-H classes.
 8. Legal tack considerations based on individual horse or rider needs will be evaluated & decided on by superintendent(s). Superintendent(s) reserve the right to split or combine classes or provide additional class breaks as the need arises (such as for 2 or 3 year old Snaffle Bit classes).
 9. All animals must be free of clinical signs of infectious or contagious disease. Horses with recent exposure to EHV-1 infected animals or participating at events where EHV-1 was subsequently diagnosed will not be permitted to exhibit.
 10. Awards will be placed on a point system determined by total placing in all classes, except halter classes. Highpoint will be determined by horse/rider pair. Ties will be broken using the number of 1st places in class per horse/rider pair.

- Points will be awarded based upon performance in class & the number of participants, a total of 15 potential points will be awarded: 5 points to 1st place, 4 points to 2nd place, 3 points to 3rd place, 2 points to 4th place, 1 point to 5th place. In the event that there are less than 5 qualifying participants, the lowest placing participant receives 1 point and points rise from there. A class with only 1 participant will award only 1 point.
- No Time for a broken pattern or failure to complete a pattern will contribute to the total number of riders in the class, but will not receive points for participating in that class (0 points for highpoint for disqualified horse/rider pair)
- There will be a 30 min. review period following the end of the horse show. After the review period, all results are final. A committee of Extension Staff, Show Staff, & Superintendent (s) will review & confirm final highpoint results at the end of the review period.

Halter Classes

1. Entries will be shown according to type and sex, classes will be broken by age if numbers warrant.
2. The term "stock-type" includes, but is not limited to, Appaloosa, Buckskin, Paint, Palomino and Quarter Horse.
3. The term "non-stock-type" includes, but is not limited to, Arabian, Morgan, Thoroughbred, American Saddlebred, mules, miniatures and ponies.

Performance Classes

1. Entries will be shown according to youth 4-H age (age as of January 1).
2. Round Robin participants will be the Champion Junior Horse Showperson, Champion Intermediate Showperson, & Champion Senior Showperson. If the Champion Horse Showperson from each age division chooses to participate in Round Robin, they must provide a horse for use in their respective age division for the Round Robin Contest.
3. If rider is in 4-H Walk/Trot, they cannot show in 4-H Western Pleasure or 4-H Ranch Horse Pleasure. A novice rider may pre-enter both classes, but must scratch one class at registration, the morning of the show by 8:00 a.m. show start time.
4. The same horse/rider combination may not show in both 4-H Western Pleasure and 4-H Ranch Horse Pleasure.
5. In trail events, a horse/rider pair may only attempt a trail obstacle 3 times, & may be motioned to move on at the discretion of the horse show Judge. The Judge's decision to move a rider on is final.
6. 3-Year Old Snaffle Bit classes are available for each Performance Class.

Speed Events

1. A 4-H member may only participate in each class once.
2. A 4-H member may ride additional

Round Robin Showmanship Contest

Superintendent: Chad Breiner

Contest: Tuesday, July 26; 2:00 p.m.

1. Champion Showmen from the Junior, Intermediate, & Senior divisions of each species will compete in the Round Robin Contest per age division. Participants of all age divisions may opt out if they are not comfortable competing.

2. If 4-H member qualifies in two or more species, the Champion selects the species he/she chooses to represent. Then, ONLY the Reserve Champion Showman from the species not selected will be eligible to participate.
3. This award may be won an unlimited number of times.
4. A species MUST have five (5) blue-ribbon showmen and eight (8) head on the grounds to be eligible for the Round Robin Contest.
5. Exhibitors will all wear matching shirts & have an individualized exhibitor number for the Round Robin Contest.
6. Contestants will be ranked on a scorecard per species. The lowest accumulated score will win. In the event of a tie, the participants' qualifying species scores will be eliminated, and the remaining scores will be averaged. In the event of a second tie, the judges will decide the overall winner.
7. Judges will provide verbal feedback during the individual species contests. Scores will NOT be released.

Market Lambs

1. Market Lambs must be wethers or ewes. Ram lambs or cryptorchids cannot show.
2. 4-H Market Lambs must be under one year of age. Temporary incisors must be in place and there should be no evidence of breaking of the skin or eruption of permanent teeth.
3. There are no age limits for Open Class Market Lambs.
4. All market and commercial ewes should be "slick shorn," above the knee and hock joints, including the head, with uniform wool length not to exceed 2-tenths of an inch.
5. Lambs failing to meet minimum weight of 100 pounds will be shown in the Prospect Class. These lambs will not be allowed to compete for Champion placing and will not be allowed to sell in the premium auction.
6. Official weight will be determined at fair check in. Superintendents shall make the determination if the halter/lead has excessive weight.
7. Entries will be divided into uniform classes and shown according to breed and weight.

Breeding Ewes

1. Entries will be shown according to breed, classes will be broken by age if numbers warrant.
2. Yearling ewes must be born on or between September 1, 2020 and August 31, 2021. Ewe lambs must be born on or after September 1, 2021.
3. This is a non-terminal show for breeding ewes. They are not eligible to be sold through the premium auction.
4. Registration Papers will be required for all purebred animals and are required at pre-entry. Registration or transfer papers must be in the exhibitor's name and dated no later than July 1, 2022. Ewes may be co-owned and co-registered by 4-Her's of the same family.

Shooting Sports

Superintendent: James Eberwein
Assist. Superintendent: Phillip Theel

Judging Saturday, July 23; 1:00 p.m.

1. Exhibitors may exhibit up to 8 entries in 4-H, but only 1 entry per class.
2. Refer to Rules & Regs on pages 4-6.
3. 4-H members must be enrolled in the shooting sports project and have completed the mandatory class session in safety and in their chosen discipline(s).
4. Shooting competitions will be strictly non-premium and will only be awarded a ribbon placing based on scores.
5. Educational displays, posters, and notebooks will be awarded premiums and judged on the following criteria:
 - 50% - Composition - Neatness, clear lettering & display, choice of color
 - 25% - Theme - Clear, concise, easy to understand
 - 25% - Project Connection - How it applies to project, importance to member, learning experience
6. Entries will prominently incorporate the 4-H Clover with KSRE branding and should include the Kansas 4-H Shooting Sports emblem. Failure to do so will penalize entry one ribbon color. Emblems may be found on the [4-H Exhibits](#) tab under the County Fair tab on the Extension website.
7. Educational displays must be the standard tri-fold board only, and must not exceed 3' wide x 4' tall. Promotional posters must be flat and no larger than 22"x 28". Exhibits exceeding the size guidelines will be reduced one ribbon color.
8. Shooting competitions will be held under State 4-H rules. These rules are available from Shooting Sports Leaders and Extension Office.

STEM: Ag Mechanics

Superintendent: Jesse Gehrt
Assist. Superintendent: Kathy Michaelis

Judging Sunday, July 24; 1:00 p.m.

1. Exhibitor may exhibit up to 3 entries, but only 1 entry per class.
2. Refer to Rules & Regs on pages 4-6.
3. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
4. Exhibitors are responsible for providing sufficient braking or "chocks" for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel "chocking" mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
5. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed.
6. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimension and weight of the exhibit as described previously. Exhibit boards should have a portable and movable base. No exhibits may be staked to the ground for display.
7. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
8. Repair projects having adequate original finish need not to be repainted.
9. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
10. Display cases for small exhibits, such as knives, are acceptable, and must be easily opened so the item can be removed and examined as part of judging.
11. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and or electrical, that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
12. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be

Wabaunsee County Fair!*

**100 Missouri Ave
Alma KS**

- drained and allowed to dry, to avoid spills and potential fires.
13. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
 14. If a safety violation is noted by the judges, superintendent or other staff, the exhibit, at the judge's discretion, will receive a deduction in ribbon placement or a participation ribbon.
 15. The exhibitor's name and county must be tagged or labeled in a prominent location on the display.
 16. Each exhibit must include an Ag Mechanics information packet (see details below). Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
 17. Each exhibitor is required to complete the "4-H STEM Ag Mechanics Exhibit Information Form, which is available at: www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained & used that are dated by the State 4-H Office for the current year.
 18. Each exhibit information packet should include the following items:

- a. Bill of materials for the project with associated costs. Scrap items used may be listed as having a \$0.00 cost.
- b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
- c. If appropriate, schematics or working drawings relating to the creation or repair.
- d. If appropriate, operating instructions may be included.

STEM: Architectural Block Construction

Superintendent: Jesse Gehrt
Assist. Superintendent: Kathy Michaelis

Judging Sunday, July 24; 1:00 p.m.

1. Exhibitor may exhibit up to 2 4-H entries, but only 1 entry per class and 1 entry in Open Class.
2. Refer to Rules & Regs on pages 4-6.
3. Up to 4 exhibits will be selected to advance to the Kansas State Fair.
4. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
5. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. This is to keep exhibit parts from being scattered throughout the fair.
6. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks.
7. The primary building component can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks.
8. The use of existing "store bought" sets for major architectural elements of the display is not allowed for any eligible exhibits for Kansas State Fair. **For County Fair, kits may be used for Class 4114 Only.** Use of figurines from sets is allowed as are using individual bricks to create

something different than the architectural component of the set it came from.

9. Displays must have significant architectural components (walls, windows, doors, roofs, canopies, flying buttresses, etc.), landscapes are discouraged.
10. Architectural elements should have a consistent look, walls with no pattern or consistency will be deducted one ribbon placing.
11. Gaps or cracks should not be visible between assembled blocks
12. Doors should open and close, windows can be either fixed or open and close.
13. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
14. Reveals that show the inside of a structure are acceptable, such as only having three walls to allow an unobstructed view into a room.
15. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. If used, judges should be able to use them and instructions should be provided for operation.
16. Artistic designs with no architectural design/components are not permitted for the Dioramas.
17. The exhibitor's name and county must be tagged or labeled in a prominent location on the display.
18. Each exhibit must include an Architectural Block Construction information packet (see details below). Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
19. Each exhibitor is required to complete the "4-H STEM Architectural Block Construction Exhibit Information Form, which is available at: www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit.
20. Each exhibit information packet should include the following items:
 - a. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred, they do not need to be to scale. Plans encourage organizing the build process so that elements don't get forgotten. For example, a real house doesn't get built without plans. Plans also help if a part comes loose on the way to the fair, so staff can figure out where it goes.
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably

- c. If appropriate, operating instructions for mechanical portion of the diorama

5. Each exhibitor is required to complete the “4-H STEM Astronomy Information Form, which is available at: www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. You must include construction plans (or a photocopy) for the telescope and place it inside the manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for those exhibits.
6. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 1/2” x 11” page. A brief caption should accompany each photograph. Place photos in the 10” x 13” manila envelope.
7. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.
8. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
9. Exhibitor’s name, county, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope.
10. If a safety violation is noted by the judges, superintendent, or other staff, the exhibit, at judge’s discretion will receive a participation ribbon.

*** Electrical**

- 0700 AC Electric Projects. Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.
- 0701 DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered project. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must include work with batteries supplied by 4-H’er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
- 0702 Electronic Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

0703 Electric Educational Display: The purpose of the educational display is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays must be legible from a distance of four feet, using a max tri-fold size of 3'x4'.

SMALL ENGINES

All exhibits should involve engines smaller than 20 horsepower for classes 0704-0706. Displays are limited to 4' wide by 4' deep - upright and floor displays. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3'x 4'.

0704 Small Engine Display: exhibit a display, selecting one of the following options: 1. a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; 2. a display identifying and explaining the function(s) of different special tools needed for small engine work; 3. a display illustrating and providing the results of any one of experiments that are included in the project books.

0705 Small Engine Maintenance: Exhibit a display that illustrates either Routine Maintenance Procedures or Diagnosing & Trouble Shooting specific problems in an engine.

0706 Small Engine Operation: Exhibit an operable small engine (no more than 20HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine & a brief description of steps taken by the member overhauling or rebuilding the engine.

STEM: Robotics

Superintendent: Jesse Gehrt
Assist. Superintendent: Kathy Michaelis

Judging Sunday, July 24; 1:00 p.m.

1. Exhibitor may exhibit up to 2 entries in 4-H and 2 entries in Open Class, but only 1 entry per class.
2. Refer to Rules & Regs on pages 4-6.
3. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibit-

ed. Each exhibit must include a robot, information packets are not a sufficient exhibit.

4. Robots must have automated articulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in computer system division or energy management project. Robots requiring no assembly, just programming, such as Ozobots, are considered computer system projects as the skill is focused on the programming not on the construction of the robot.
5. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds. If displayed in a case (not required or encouraged) the outside case dimensions may not be more than 26 inches in height, width, or depth.
6. Materials including but not limited to obstacles, spare batteries, and mats for testing the robot may be placed in a separate container, which is not included in the robots dimensions, that container may not be larger than 576 cubic inches as measured along the outside of the contain (Examples: 4"x 4" x 36" or 4"x 8" x 18" or 6"x 6" x 16) The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitors name(s) and county or district.
7. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
8. Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession or creation, physical

and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.

9. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Robotic arms (hydraulic or electric) are allowed. A remote is allowed provided more than a single action happens when a single button is pressed on the remote, for example "a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds." Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
10. Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete its intended task. In the event the robot uses a phone, tablet, or similar device for programming AND control of the robot a video will be used to evaluate the working condition of the robot.

STEM: Rocketry

Superintendent: Shawn Gideon

Judging Sunday, July 24; 1:00 p.m.

**Rocket Launch Sunday, July 24;
7:00 p.m. WHS Football Field**

1. Exhibitors may exhibit 1 entry in 4-H and 1 entry in Open Class.
2. Refer to Rules & Regs on pages 4-6.
3. All rocket exhibited must be constructed during the current 4-H year.
4. If a rocket qualifies for the [Kansas State Fair](#), exhibitors should read the State Fair rules for the Rocketry division as they may be different from those at the county fair.
5. If two rockets are entered, one rocket must be a "model rocket kit" and the second may be entered into any other applicable class. An exhibitor may not enter two rockets in the same class.
6. 4-Hers are to complete and sign the rocketry information form, available from www.STEM4KS.com and attach it to a 10" x 13" manila envelope. The envelope should contain: instructions on how to construct the rocket, up to 5 pages of pictures from both construction and launch, documentation of any flight damage that occurred, modifications made to the rocket, additional page for altitude calculations if the space on the form is not enough. Additionally, original design rockets need to include: up to 5 additional pages of photos and documentation of how the rocket was tested for stability.
7. Rockets are displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket or stand, unassisted, unless the rocket is taller than 4 feet in which case no display stand is required and the rocket may be displayed on its side, rockets are not to be displayed on launch pads to save

space and prevent someone from being poked in the eye.

8. Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or a part of the stand, if rocket engines are included in the exhibit the judge may disqualify the exhibit.
9. Rockets should be flown, unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
10. Angles of fins must fall within a plus or minus 2 degree variation using an approved fin alignment guide (KSSTAC10). An official fin guide is available from www.STEM4KS.com.
11. Fins and body tubes, except those in the introductory division are to be filled and sealed with sanding sealer and/or primer or other suitable filler to eliminate the appearance of body grooves and wood grain.
12. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
13. Engine mounts are to be securely attached to the body tube and any seams or plastic parts are to be sanded smooth.
14. The recovery system (typically a parachute or streamer) should be attached according to the instructions and the nose cone is to fit snugly, but still allow for easy removal.
15. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions and decals, if used, are applied smoothly.
16. Scale models are to be finished and completed with a majority of decals (greater than 70%).
17. Original design rockets, must be designed by exhibitor who is 11 years or older, cannot be a modification of a pre-existing kit and must be of original design.

18. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
19. Rockets that use more than one 'D' engine or equivalent are considered mid or high power rockets and may only be exhibited by youth 14 and up who hold a membership in either NAR or Tripoli organizations. A high power information form is to be completed and placed inside of the information packet.
20. Models may not be judged based on their paint scheme, with the exception of rockets that fit the definition of a scale model. They may be judged based on the paint scheme.
21. For all STEM Educational Exhibits, see rules on page 35.

Judging Sunday, July 24; 1:00 p.m.

1. The information that accompanies the UAS must be limited to the 4-H Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS. It may be downloaded from www.STEM4KS.com.
2. Unmanned Aerial Systems that include or depict weaponry of any kind will be disqualified.
3. If modifications are made to the exhibit, a page should be attached noting those modifications.
4. For anyone interested in exhibiting at [Kansas State Fair](#): Each exhibit must include a video of the youth operating the UAS. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a CD, DVD, USB drive, or similar item.
5. For all STEM Educational Exhibits, see rules on page 35.

STEM: Educational Exhibit

1. No additional exhibit information (manila envelope) is required like the other STEM classes.
2. Exhibits must contain substantial supporting educational materials.
3. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judg-

- ing score sheet available at: www.STEM4KS.com. For example, a rocket that may have crashed and/or is highly damaged may be made into an educational display or poster that tells a great story with many lessons learned.
4. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
 5. Educational displays are not to exceed a standard commercial 3'x 4' tri-fold display board. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand Fair conditions.
 6. "Construction Kits" that are part of Educational displays must be contained in cases (tackle boxes, sealable containers, etc.) that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits". Other components are to adhere to appropriate dimensions as stated elsewhere.
 7. Educational Project notebooks must be organized in a 3-ring binder
 8. Any three dimensional display exhibits may not be thicker than 1" .
 9. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
 10. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the notebook, and/or "Construction Kit." For education displays and/or posters the exhibitor's name, county, or district, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit

- may result in one ribbon placing deduction.
11. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed & constructed in a manner befitting the exhibit
 - d. Be something you are interested in
 - e. Be related to Architectural Block Construction, Astronomy, Computer System, Robotics, Rocketry, or UAS.

Market Hogs

1. Entries will be divided into uniform classes and shown according to breed and weight. Official weight will be determined at fair check in.
2. Swine failing to meet the minimum weight of 220 pounds will be shown in a prospect class. These animals will not be allowed to compete for champion placing, and will not be allowed to sell in the premium auction.

Breeding Gilts

1. Entries will be shown according to breed, classes will be broken by age if numbers warrant.
2. This is a non-terminal show for breeding gilts, they are not eligible to be sold through the premium auction.
3. Breeding gilts exhibited by 4-H'ers will be returned home at exhibitors own risk and the Wabaunsee County Fair and Fair Officials will not be held responsible for the death, injury or spread of disease.
4. Registration Certificates and ear notches are required for all purebred breeding gilts. Papers are required at pre-entry and will be checked with ear notches. Papers need to be in the exhibitor's name or approved family nomination name by July 1, 2022. Purebred gilts may be co-owned and co-registered by 4-Her's of the same family, however may not be co-owned with an adult. Non-papered gilts will show in the Crossbred division.

Judging Saturday, July 16; 1:00 p.m.

1. Exhibitor may exhibit 1 entry in 4-H and 1 entry in Open Class.
2. Any 4-H member may exhibit.
3. Refer to Rules & Regs on pages 4-6.
4. This is a county only contest.
5. **A square card table will be furnished.** All other supplies must be furnished and kept in order by the exhibitor. No food should be used. No alcoholic beverages will be accepted. Candles can be displayed, but do not light.
6. If cut flowers are used, they should be kept fresh looking throughout the days on exhibit at the fair. You will need to replace if they wilt down and will not come back with fresh water.
7. The menu to be served should be given on 8.5" x 5.5" paper.
8. An individual place setting may include linen, dishes, silver, and centerpiece for one course only, as indicated on the menu card. Exhibits need not use an expensive place setting. Disposable (paper or plastic) or casual place settings may be used in a very creative way. You are discouraged from using heirloom china or crystal in your display.
9. 4-H member will set up their display following correct table setting procedures. You will visit individually with the judge after setting up your display. You should be dressed appropriately and well groomed. Judging of the display will be based on menu and display.

Wood Science

Superintendent: Darrin Rowley
Assist. Superintendent: Kylee Rowley

Judging Saturday, July 23; 10:00 a.m.

1. Exhibitors may exhibit up to 2 entries in 4-H and 2 entries in Open Class.
2. Refer to Rules & Regs on pages 4-6.
3. The plan from which the exhibit was constructed must be with the article. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step by step instructions is not a plan.
4. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).
5. The use of materials other than wood should be kept to a minimum.
6. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case of cabinet, etc., is permissible since it cannot be easily removed.
7. Entry card, plans and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit.
8. Refinished/repainted furniture should be exhibited in the Home Environment project area.
9. Projects made from pre-cut kits are not allowed.
10. Consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.

Clover Brand Sponsorship

The 4-H Clover is a reminder of duty to club, community, country, and world. The all-new KanEquip Arena on the Wabaunsee Fairgrounds highlights the Clover Brand as a sustaining way to support the Wabaunsee County Fair, facilities, and its successful partnership with the 4-H program.

Each Clover Brand Sponsorship (\$250 per year) includes:

- Business, individual or family name on a Clover Brand on the wall of the KanEquip Arena for one year (through April 1 of each year)
- Business-card-sized ad in the current Fair Book
- Recognition on a list of all Clover Brand sponsors in the current Fair Book

Clover Brand sponsors will be asked annually to renew their pledges. Private and business donations are welcomed. Contact a Wabaunsee County Fair Association Board member for more information on how to become a sponsor.

Thank you to all who have donated time and money toward the Fairground Improvement Project. So much has been accomplished and we need your continued support to see it through!
